2024 - 2025 Sponsorship Packet

Sponsor the Tampa Bay Pride Band and Tampa Bay Symphonic Winds

Tampa Bay Pride Band (TBPB) is an all-inclusive concert band, marching band, jazz band and colorguard. TBPB was born from the desire to have an outstanding musical ensemble affiliated with the LGBTQ+ community serve as a point of pride for ALL members of the Tampa Bay community. We intend to present and promote music of the highest quality with an outstanding concert program, partnering with other musicians and ensembles in the state of Florida. We also represent the LGBTQ+ community in the Bay Area Pride parades and events in both Tampa and St. Petersburg.

The TBPB is a 501(c)3 organization who is now celebrating eleven years of musical performances that captivated our audience. Our performance ranges from holiday favorites, humorous entertainment, and challenging pieces. Each show centers on an important diverse theme that spotlights, brings awareness, and celebrates diversity. Themes such as compositions written by great women in the industry, compositions that celebrate important times in LGBTQ+ history, compositions by black composers, and more.

Our Pride Music and Art Festival is our premiere event, held each March. This event is not only a concert by our performing ensembles, but it includes guest performers from the community. It also features an art show highlighting local artists work and a raffle of items donated by local businesses and band members to function as a fundraiser. The result is a fantastic event of music, art, and community.

We are seeking corporate, community and individual support from our community! Your support allows us the continuation and growth in our program. If you have any questions, please email us at info@tampabayprideband.com.
